Sample No. 5 (name / description)

syrups (agave)

syrups (agave)

1. chemical-physical parameters		Sample				
Code	description	No.1	No.2	No.3	No.4	No.5
70203	ash					
11204	aw- value					
11102	Brix- value					
15102	citric acid					
10206	colour					
10503	conductivity/pH-value					
13603	ethanol					
11006	fructose + glucose					
11604	glycerine					
10006	HMF					
10410	moisture/ dry matter					
11005	water-insoluble content					
10410	water-insoluble content					
	packages	for package details consult the service list				
191	Quality- package 1 Agave					

3. authenticity/ adulteration		Sample				
	packages	for package details consult the service list				
178	Adulteration 1 Agave					
180	Adulteration 2 Agave					
181	Adulteration 3 Agave					
194	Adulteration 8 Agave					
195	Adulteration 9 Agave					
922	Adulteration EA/ LC-IRMS					

2. residues		Sample				
39007	aflatoxins B1, G1, B2, G2					
421	chlorate/ perchlorate					
70201	quaternary ammonium comp.					
503	Pesticides XXL (->700 subst.)					

4. metals /elements		Sample				
Code	description	No.1	No.2	No.3	No.4	No.5
51003	sample preparation					
50202	arsenic					
50304	lead					
50402	cadmium					
50602	mercury					
	packages	for package details consult the service list				
703	Heavy metals 1					

3. authenticity/ adulteration		Sample				
37027	13C isotopic analytics EA-IRMS					
37028	13C isotopic analytics LC-IRMS					
37045	13C isotopic analytics (maple syrup)					
37024	activity of β-Fructofuranosidase					
37021	activity of β-Amylase					
37020	activity of gamma-Amylase					
37029	activity of amylase					
38202	activity of heatstable Amyl.					
37015	oligosaccharides					
37033	inulin					
38222	mannose					
37034	mannitol					
198	NMR-analytics					
37014	Caramel colouring (E150c/d)					
37010	RSM and SMB					
38402	Difructoseanhydride					

microbiology		Sample				
70150	sample preparation					
70156	Coliform bacteria					
70154	E-Coli					
70152	yeasts					
70151	Total bacteria count					
70155	salmonella					
70153	mold					
	packages	for package details consult the service list				
400	mibi-package 1 Agave
